

Integration into common standard pages (default tables)

For common tables that are delivered as default in **AWF Supported Tables** , there is additionally a direct integration into the respective standard pages of the record.

Typical examples (depending on setup/role profile):

- Cards such as customer/vendor/item
- Sales and purchase documents (e.g. order/invoice/credit memo/quote)
- Journals, incoming documents, job queue

This lets users process the approval directly on the record in many cases, without the detour via the **"Requests to Approve" list**.

The screenshot shows the SAP 'Allgemein' (General) tab for a purchase order (Einkaufsrechnung) with document number EKRECH1030. The header includes the text 'Bürobedarf Hamburg'. A red arrow points to the 'DEXPRO Advanced Workflow' link in the top navigation bar. Another red arrow points to the 'Freigegeben' (Released) status in the 'Status' field of the 'Ausstehende Genehmigung' (Outstanding Approval) section on the right. The main data area is divided into two columns: 'Eink. von' (Purchase from) and 'Rechnungsingangsdatum' (Invoice receipt date). The 'Eink. von' section contains fields for 'Adresse' (Address), 'Ort' (Location), 'PLZ' (Postal Code), 'Land/Region' (Country/Region), 'Kontakt' (Contact), and 'Belegdatum' (Document date). The 'Rechnungsingangsdatum' section contains fields for 'Buchungsdatum' (Posting date), 'MwSt-Datum' (VAT date), 'Fälligkeitsdatum' (Due date), 'Kred.-Rechnungsnr.' (Credit document number), 'Einkäufercode' (Buyer code), 'Kampagnennr.' (Campaign number), 'Alternativer Kreditorenadresse' (Alternative vendor address), 'Zuständigkeitsseinheitencode' (Responsible unit code), 'Zugewiesene Benutzer-ID' (Assigned user ID), and 'Status' (Status). The 'Status' field is currently set to 'Freigegeben'. The right sidebar shows the 'Zusammenfassung' (Summary) section with 'Details' and 'Anhänge (4)' (Attachments (4)). Below this is the 'Ausstehende Genehmigung' section, which displays the 'Absender-ID' (Sender ID) as 'BERND.FEDDERSEN' and the 'Fälligkeitsdatum der Genehmigung' (Due date of approval) as '29.12.2025'. The 'Bemerkung' (Remark) field is empty. The 'DEXPRO Advanced Workflow' section shows the 'Workflow Gruppe ohne Bernd' (Workflow group without Bernd) and the status 'Von ihnen übernommen' (Taken over by them).

Revision #1
