Recent Entries

The **Recent Entries** FactBox shows the most recent archiving operations performed for the currently opened record.

Displayed Information

- **Title**: The record title of the archived record.
- **Type**: The record type (e.g. Invoice, Credit Memo).
- **Version**: The version number of the archive record.
- **Created DateTime**: Date and time of the archiving operation.

Configuration

The maximum number of displayed entries can be controlled via the **Maximum Recent Records** field in the **Freeze Setup** (default: 5).

Navigation

Clicking an entry opens the archive folder directly in the Freeze search result, allowing you to view the associated attachments and fields.
